

Author Victor Cass

Rave Reviews for Victor Cass' New War Novel

- *The first war novel in America depicting U.S. women infantry soldiers in all-female, full combat fighting units...the BLACK WIDOWS!*
- *The first war novel in America depicting combat with globally unified jihadist terrorists in World War III.*

“A classic war story...engaging...well-paced, this book is perfect.”

(Michael Radon, *US Review of Books*)

Black Widow Bitches

“A mesmerizing tale of courage, raw human emotions, and unmatched descriptions of battle scenes I'll never forget. This is a book everyone should read; I came away from it a changed person....Prepare for tragedy and triumph, readers, because great writers tug at all of your emotions.”

(Kevin Gerard, Award-Winning Novelist)

“Engaging story about the struggles and sacrifices of women in combat. Graphic and intense, the book looks at how war changes people and challenges the reader to examine his/her own beliefs about right and wrong, good and evil, and ultimately asks, “Do the same rules apply during wartime?”

(L.B. DeLacey)

“Powerfully written, gut-wrenching literary war novel that you are not soon to forget....This book [is] a part of history that is just now unfolding—global war, once-stable countries losing ground to growing terrorist movements, and most central, the role of women in combat. Cass includes such realistic detail, and develops the gradual evolution of these characters so deftly, that by the time they experience combat for the first time, you believe they are ready.... You will fall in love with these characters.... You will cry sometimes.”

(C. R. Demes)

A “Top 5 Book for Summer Reading”

(Del Carmen, NY Author/Blogger)
